

**MBM Packaging Labs, Inc.  
Printing Solutions  
Mission Statement**

***Serve the Customer***

We plan to provide the best customer service in our industry. This excellent service will be in the form of on-time delivery of reliable, high quality products, produced at a competitive cost. It will be supported by superior application assistance, inventory availability, and response to special delivery and/or service needs.

***Team Environment***

We plan to operate in an honest and open environment based on simplicity. Our environment will encourage innovation, self-motivation, and practical risk taking. Management is expected to be listeners, decision-makers, and leaders by example. Team member's mission is to treat employees and customers with respect and honesty and maintain an environment of continuous improvement.

***MBM Packaging Labs Vision***

To be a principle-centered company dedicated to customer satisfaction and continuous improvement in our field of business.
